Hey Scenario was formed in 2017 from the collaboration of three veterans of Pescara's underground music scene: Max Leggieri (Clap Rules), Michelangelo Del Conte (Vegetable Men, Sistema Informativo Massificato, Clap Rules, Claudio Filippini, Jester At Work), and Antonio Vitale (Jester At Work).

Three-head Amphetaminic Monster Band Surfacing from the Sea! Hey Scenario is a Soft-Brutal Sci-Fi Lisergic Space Disco, Ritual Dance & Psych Rock Hydra devoted to Frantic and Melancholic Music Landscapes.

Clinging on their wild vessel, Clap Rules' Max Leggieri and Michelangelo Del Conte join forces with songwriter Jester At Work, forming a united crew ready to sail even in these sick times.
